## **1. NAME AND OFFICE LOCATION**

The name of the association shall be the **DEL MAR VILLAS CONDOMINIUM OWNERS ASSOCIATION**, a California nonprofit mutual benefit corporation ("**Association**"), organized under the Nonprofit Mutual Benefit Corporation Law (California Corporations Code Sections 7110 et seq.), for the purpose of exercising the powers and functions set forth herein. The Association shall act as the management body for the Community, and shall be responsible for the operation, maintenance and control of the Association Property and the Common Area. By virtue of owning a Condominium in the Project, each Owner shall also have a membership in the Association, which membership shall be appurtenant to and pass with title to the Condominium.

## **2. DEFINITIONS**

### **2.1. DECLARATION**

Declaration shall mean and refer to the **DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS FOR "DEL MAR VILLAS,"** recorded **December 1, 2003**, as **Document No. 2003-1424116**, all as shown in the Official records of the County Recorder of San Diego County, California, covering the Del Mar Villas Condominium Project, including such amendments thereto as may from time to time be recorded.

### **2.2. OTHER DEFINITIONS**

Each definition set forth in the Declaration Article entitled "**DEFINITIONS**" shall have the same meaning with these Bylaws, and each such definition is by this reference incorporated herein.

## **3. MEMBERS**

The Association shall have two (2) classes of voting membership as set forth in the Declaration and the Articles.

## **4. MEETINGS OF MEMBERS**

### **4.1. PLACE OF MEETING**

All meetings of Members shall be held on the Project or at such other location in **San Diego** County, California, in reasonable proximity to the Project, as may be designated in the notice of meeting.

### **4.2. CONDUCT OF MEETINGS; PARLIAMENTARY PROCEDURE**

All meetings of Members shall be conducted in accordance with a recognized system of parliamentary procedure or such parliamentary procedures as the Members may adopt, pursuant to Civil Code §1363, as it may be amended from time to time.

#### **4.3. ANNUAL MEETINGS OF MEMBERS**

The first annual meeting of Members shall be held within six (6) months after the close of escrow for the sale of the first Condominium by Declarant, or within forty-five (45) days after close of escrow for the sale by Declarant of fifty-one percent (51%) of the Condominiums authorized for sale under the first Public Report for the Project, whichever shall first occur. Subsequent annual meetings of Members shall be held in each succeeding year within two weeks before or after the anniversary of the first annual meeting of Members on a day to be determined by the Board, which shall not be a legal holiday.

#### **4.4. NOTICE OF ANNUAL MEETING**

Written notice of each such annual meeting shall be given to each Member and, upon written request therefor, to all first Mortgagees. Such notice shall be delivered either personally or by sending a copy of the notice through the mail or by telegraph, charges prepaid, to the address appearing on the books of the Association or supplied to the Association for the purpose of notice. If no address is supplied, notice shall be deemed to have been given if mailed to the address of the Condominium owned by such Member or encumbered by the first Mortgagee, or published at least once in some newspaper of general circulation in the county of said principal office. All such notices shall be sent not less than ten (10) days (except in emergency situations in which case as much advance notice shall be given as is reasonably possible) and not more than ninety (90) days before each annual meeting, and shall specify the place, day and hour of such meeting and any matters the Board intends to present for action by the Members; the foregoing notwithstanding, any proper matter may be presented at such meeting for action.

#### **4.5. SPECIAL MEETINGS**

Special meetings of Members, for any purpose or purposes whatsoever, may be called and scheduled at any time by the Board in response to the vote of a majority of the Board of Directors, or in response to a request by the Chairman of the Board, the President, or upon written request of the Members representing five percent (5%) of the total voting power of the Association. Except in special cases where other express provision is made by statute, notice of such special meetings shall be given in the same manner as for annual meetings of Members. Notices of any special meeting shall specify in addition to the place, day and hour of such meeting, the general nature of the business to be transacted.

#### **4.6. MORTGAGEE REPRESENTATION**

First Mortgagees shall have the right to attend all membership meetings through a representative designated in writing and delivered to the Board.

#### **4.7. MEMBERSHIP AND VOTING**

Membership shall be held as provided in the Declaration. Unless a contrary voting requirement is called for specific matters elsewhere in these Bylaws, the Declaration or Articles, any action by the Association which must have the approval of the Members before being undertaken shall require the vote or written assent of a majority of each class of membership. Where the vote or written assent of each class of membership is required, any requirement that the vote of Declarant be excluded is not applicable. After the conversion of Class B membership to Class A membership, any provision herein requiring the approval of Members other than Declarant shall mean the vote or written assent of a majority of the total voting power of the Association (including Declarant's votes) and the vote or written assent of a majority of the total voting power of Members other than the Declarant. Voting rights attributable to Condominiums shall not vest until assessments against those Condominiums have been levied by the Association. Except as provided in the Section entitled "Election" herein, voting of the Members on all matters may be done viva voce (vocally) or by ballot.

#### **4.8. QUORUM; ADJOURNED MEETINGS AND NOTICE THEREOF**

(a) Except as otherwise provided in the Articles of Incorporation or the Declaration, the presence in person or by proxy at any meeting of the Owners of a majority of the voting power of the Association (excluding the number of votes as to which voting rights are suspended at the time of the subject meeting) shall constitute a quorum for the transaction of any action at such meeting, except as otherwise provided in the Declaration or these Bylaws. In the absence of a quorum at a meeting, a majority of the Owners present in person or by proxy may adjourn the meeting to another time, but may not transact any other business. An adjournment for lack of a quorum shall be to a date not less than five (5) days and not more than thirty (30) days from the original meeting date, and the quorum for such resumed meeting shall be the presence in person or by proxy of twenty-five percent (25%) of the total voting power of the Association (excluding the number of votes as to which voting rights are suspended at the time of the subject meeting); provided, however, if after adjournment a new date is fixed for the adjourned meeting, notice of the time and place of the adjourned meeting shall be given to members in the manner described for regular meetings; provided further, that in the event the quorum requirement becomes twenty-five percent of the voting power of the membership, then the only matters that may be voted upon at any meeting actually attended in person or by proxy of one-third (1/3) or less of the voting power, are matters, notice of the general nature of which was given in the original notice of meeting.

(b) When any membership meeting, either annual or special, is adjourned for thirty (30) days or more, notice of the adjourned meeting shall be given as in the case of an original meeting. Except as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting other than by an announcement at the meeting at which such adjournment is taken.

#### **4.9. CONSENT OF ABSENTEES**

The transactions of any meeting of Members, either annual or special, however called and noticed, shall be as valid as though they occurred at a meeting duly held after regular call and notice if a quorum be present either in person or by proxy and if, either before or after the meeting, each of the Members entitled to vote, not present in person or by proxy, signs a written waiver of notice or a consent to the holding of such meeting or an approval of its correct minutes. All such waivers, consents or approvals shall be filed with the Association records or made a part of the minutes of the meeting.

#### **4.10. ACTION WITHOUT MEETING**

Any action on a matter that may be taken by the vote of Members at a regular or special meeting (except for the election of directors which must be conducted in accordance with the provisions of the Section entitled "Election" herein) may be taken without a meeting if, in compliance with Section 7513 of the California Corporations Code, including such amendments thereto as may from time to time be made, a ballot is distributed to every Member entitled to vote on the matter. Such ballot shall set forth the proposed action (including any known contrary opinions) provide an opportunity to specify approval or disapproval of any proposal, and provide a reasonable time frame within which to return the ballot to the Association. Approval by written ballot shall be valid only when the number of votes cast by ballot within the time period specified equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. All soliciting ballots shall indicate the number of responses needed to meet the quorum requirement and shall state the percentage of approvals necessary to pass the measure submitted.

#### **4.11. PROXIES**

At all meetings of Members (except at the first annual meeting described in Section 4.3 above), each Member may vote in person or by proxy. All proxies shall be in writing and filed with the Secretary before the appointed time of each meeting. Every proxy shall be revocable and shall automatically

cease upon conveyance by the Member of his Condominium, or upon receipt of notice by the Secretary or the Board of the death or judicially declared incompetence of a Member, or upon the expiration of three (3) years from the date of the proxy. In addition, voting by proxy shall comply with any other applicable requirements of California Corporations Code Sections 7514 and 7613.

#### **4.12. PROXY AND WRITTEN BALLOT, FORM**

In addition to any other requirements, any form of proxy or written ballot distributed by any person to the membership of the Association shall afford the opportunity to specify a choice between approval and disapproval of each matter or group of matters to be acted upon. It shall not be mandatory that a candidate for election to the governing body be named in the proxy or written ballot. The proxy or written ballot shall provide that, where the member specifies a choice, the vote shall be cast in accordance with that choice. The proxy shall also identify the person or persons authorized to exercise the proxy and the length of time it will be valid.

### **5. COMMENCEMENT OF ASSOCIATION; INTERIM OPERATION OF ASSOCIATION PROPERTY**

#### **5.1. COMMENCEMENT OF ASSOCIATION**

The Association shall not commence business until such time that a Board of Directors has been elected pursuant to the provisions therefor contained in these Bylaws. Notwithstanding the foregoing, the existence of the Association shall begin upon either (a) the filing of the Articles in the Office of the California Secretary of State, or, (b) in the event , for whatever reason, the Articles are not filed prior to the conveyance of the first Condominium in the Project, then, upon the conveyance of the first Condominium in the Project to a Purchaser or upon the execution of Articles of Incorporation by an "incorporator," whichever first occurs.

#### **5.2. INTERIM OPERATION OF ASSOCIATION PROPERTY**

Following the conveyance of the first Condominium to a Purchaser in the Project, and prior to the election of a Board of Directors of the Association as described in these Bylaws (hereafter "Interim Period"), the Declarant or its designated agent may operate and handle the affairs for the Association Property of the Project; provided, however, such operation shall specifically not commence the business of the Association. During such Interim Period, Declarant or its agent, may establish in the name of the Association and/or in Declarant's name in trust for the Association, one or more separate, segregated bank accounts in its name, in trust for the future Association, to collect assessments from Owners and for the disbursement of proper expenditures necessary to operate the Association Property of the Project, including provisions for reserves in accordance with the Project Documents (hereafter "Interim Account"). During the Interim Period, Declarant or its appointed agent may be signatory on the Interim Account(s). All collections of assessments and disbursement of funds attributable to the operation and maintenance of the Association Property during the Interim Period shall, to the fullest extent possible, be effected through the Interim Account(s). Declarant or its agent shall maintain or cause to be maintained, in accordance with generally accepted accounting practices, records of the following:

- (a) All assessments paid into the Interim Account(s) by Declarant and Purchasers;
- (b) All expenditures paid out of the Interim Account(s);
- (c) All receipts, expenditures and disbursements attributable to the Operation of the Association Property, and Common Expenses of the Association during the Interim Period; and

(d) All expenditures claimed by the Declarant as offsets or credits against assessments owed.

(e) The foregoing shall be called "Interim Account Records."

Upon the commencement of business of the Association, but not later than seven (7) days thereafter, Declarant or its agent shall transfer all funds of the Interim Account(s) to the Association, together with an accounting of the Interim Account Records.

The Interim Account Records shall be made available for examination, inspection and copying by the Association and the California Real Estate Commissioner, or their respective designated representative(s), upon request during regular business hours. Declarant's obligation to retain or cause to be retained the Interim Account Records shall terminate upon the earlier of (1) the conveyance of the last Condominium in the Project to a Purchaser under the authority of a Public Report, or (2) three years after the expiration of the most recent Public Report on the Project or any portion thereof.

## **6. BOARD OF DIRECTORS**

### **6.1. NUMBER AND QUALIFICATIONS OF DIRECTORS**

The affairs of the Association shall be managed by a Board of five (5) directors until changed by amendment to this Section of the Bylaws. Directors must be Members of the Association, or an officer, director, employee or agent of a Member, including Declarant; provided, however, if a Condominium is owned by more than one Person, each such Person being a Member of the Association, only one of such Members may be a director. The foregoing notwithstanding, the initial directors may be appointed by the Declarant or by the incorporator of the Association ("Sole Incorporator,") and shall hold office until the first meeting of the Members as described in the Section entitled "***Election***" herein and until their successors are elected.

### **6.2. TERM OF OFFICE**

At the first annual meeting of Members, two (2) directors shall be elected for a term of one year and three (3) directors for a term of two years. ~~The first directors shall be elected at each annual meeting of Members. The term of office of the directors shall be two (2) years. The term of office of the directors shall be two (2) years.~~ unless vacated sooner, each director shall hold office until the director's term expires and a successor is elected. If any annual meeting is not held or the directors are not elected thereat, the directors may be elected at any special meeting of Members held for that purpose.

### **6.3. REMOVAL; VACANCIES**

(a) Unless the entire Board is removed from office by the vote of the Association Members, an individual director shall not be removed prior to the expiration of his term of office if the number of votes cast against his removal or not consenting in writing to his removal would be sufficient to elect the director if voted cumulatively at an election at which the same total number of votes were cast and the entire number of directors authorized at the time of the most recent election of directors were then being elected. A director elected to office solely by the votes of Members other than Declarant may be removed from office prior to the expiration of his term only upon the vote of a simple majority of the voting power of Members other than Declarant. Provided, however, the Board may declare vacant the office of a director (a) who has been declared of unsound mind by final court order, (b) who has been convicted of a felony, or (c) who is no longer a Member of the Association. In the event of the death or resignation of a director, his or her successor shall be appointed by the Board at a duly held meeting of the Board or by a sole remaining director, and shall serve for the unexpired term of his or her predecessor.

(b) A vacancy or vacancies shall be deemed to exist in case of death, resignation or removal of any director, or if the Members shall increase the authorized number of directors but shall fail, at the meeting at which such increase is authorized, or at any adjournment thereof, to elect the additional directors so provided for, or in case the Members fail at any time to elect the full number of authorized directors. The Members may elect a director at any time to fill any vacancy not filled by the directors, and may elect the additional directors at the meeting at which an amendment by the Bylaws is voted authorizing an increase in the number of Directors. A vacancy created by removal of a director can be filled only by election of the Members. No reduction of the number of directors shall have the effect of removing any director prior to the expiration of his or her term of office.

#### **6.4. COMPENSATION AND FEES**

Neither the directors nor the officers of the Association shall receive any monetary compensation for their services performed in the conduct of the business of the Association, except upon the vote or written consent of a majority of the voting power of the Association residing in members other than the Declarant. Nothing herein contained shall be construed or preclude any director or officer from serving the Association in any other capacity as an agent, employee or otherwise and receiving compensation therefor. Directors and officers of the Association may be reimbursed for expenses incurred in carrying on the business of the Association.

### **7. NOMINATION AND ELECTION OF DIRECTORS**

#### **7.1. NOMINATION**

Nomination for election to the Board of Directors shall be made by a Nominating Committee. Notice to the Members of the meeting shall include the names of all those who are nominees at the time the notice is sent. Nominations may also be made from the floor at the annual meeting. The Nominating Committee shall consist of a Chairman, who shall be a Member of the Board, and two (2) or more Members of the Association. The Nominating Committee shall be appointed by the Board of Directors not less than thirty (30) days prior to each annual meeting of the Members, to serve until the close of such annual meeting. The Nominating Committee shall make as many nominations for election to the Board as it shall in its discretion determine, but not less than the number of vacancies that are to be filled. All candidates shall have reasonable opportunity to communicate their qualifications to Members and to solicit votes.

#### **7.2. ELECTION**

The first election of the Board shall be conducted at the first meeting of the Association described in the section entitled "Annual Meetings of Members" herein, at which time all positions on the Board shall be filled. At such election the Members or their proxies may cast, in respect to each vacancy, as many votes as they are entitled to exercise under the provisions of the Declaration. The persons receiving the largest number of votes shall be elected. Cumulative voting is required for all elections in which more than two (2) directors are to be elected; provided, however, all Members shall be entitled to cumulate their votes for one (1) or more candidates for the Board, if the candidate's name has been placed in nomination prior to voting, and if a Member has given notice at the meeting prior to the voting of his or her intention to cumulate votes. Voting for directors shall be by secret written ballot. So long as a majority of the voting power of the Association resides in the Declarant, or so long as there are two (2) outstanding classes of membership in the Association, not less than twenty percent (20%) of the incumbents on the Board shall have been elected solely by the votes of Owners other than the Declarant.

## **8. MEETINGS OF DIRECTORS**

### **8.1. DEFINITION OF "MEETING"**

The word "meeting," as applied to "meeting of members of the Board of Directors," shall include any congregation of a majority of the members of the Board at the same time and place (including telephone meetings, in which case the Board members need not be present in the same place) to hear, discuss, or deliberate upon any item of business scheduled to be heard by the Board, except those matters that may be discussed in executive session.

### **8.2. PLACE OF MEETING**

All meetings of the Board shall be held within the Project, or at such other location in the County, California, in reasonable proximity to the Project, as may be designated in the notice of meeting. Members of the Board may participate in a meeting through use of conference telephone, electronic video screen communication or similar communications equipment, so long as (a) all Board members participating in such meeting can communicate with all of the other Board members, (b) each Board member is provided the means of participating in all matters before the Board, including, without limitation, the capacity to propose, or to interpose an objection to a specific action to be taken by the Association, and (c) the Association adopts and implements some means of verifying both of the following: (i) a person participating in the meeting is, in fact, a director or other person entitled to participate in the Board meeting; and, (ii) all actions of, or votes by the Board are taken or cast only by the directors and not by persons who are not directors, were made by that director and not by another person not permitted to participate as a director.

### **8.3. ORGANIZATIONAL MEETING**

Immediately following each annual meeting of Members, the Board shall hold a regular meeting for the purpose of organization, election of officers and the transaction of other business. Notice of such meeting is hereby dispensed with.

### **8.4. REGULAR MEETINGS**

Regular meetings of the Board shall be held without call bimonthly, or at such time as the Board shall determine; provided, however, should said day fall upon a legal holiday, then said meeting shall be held at the same time on the next day thereafter ensuing which is not a legal holiday. The meeting place shall ordinarily be within the Project itself unless, in the judgment of the Board, a larger meeting room is required than exists within the Project, in which case, the meeting room selected shall be as close as possible to the Project.

### **8.5. SPECIAL MEETINGS**

Special meetings of the Board for any purpose or purposes may be called at any time by the President, or, if he is absent or unable or refuses to act, by any Vice President, or by any two (2) Directors other than the President.

### **8.6. NOTICE OF MEETINGS**

Except for emergency meetings, all Members shall be given notice of the time and place of all meetings of the Board at least four (4) days prior to the meeting. Notice may be given by posting the notice in a prominent place or places within the Project, by mail or delivery of the Notice to each Unit in the project, or by newsletter or similar means of communication. Notice to members of the Board shall be not less than four (4) days prior to the meeting; provided, however, notice of a meeting need not be given to any director who has signed a waiver of notice or a written consent to the holding of the meeting.

**8.7. EMERGENCY MEETINGS**

Emergency meetings of the Board may be called by the President or by any two members of the Board other than the President, if there are circumstances that could not have been reasonably foreseen which require immediate attention and possible action by the Board, and which of necessity make it impracticable to provide notice as required by the Section immediately above entitled "Notice of Meetings."

**8.8. QUORUM**

A majority of the directors shall be necessary to constitute a quorum for the transaction of business, except to adjourn as hereinafter provided. Every act or decision done or made by a majority of the directors present at a meeting duly held at which a quorum is present shall be regarded as the act of the Board.

**8.9. ADJOURNMENT**

A quorum of the directors may adjourn any directors' meeting to meet again at a stated day and hour; provided, however, that in the absence of a quorum, a majority of the directors present at the directors' meeting, either regular or special, may adjourn from time to time until the time fixed for the next regular meeting of the Board.

**8.10. NOTICE OF ADJOURNMENT**

Notice of adjournment of any Directors' meeting, either regular or special, need not be given to absent Directors if the time and place are fixed at the meeting adjourned.

**8.11. MEMBERS' ATTENDANCE AT MEETINGS**

Any Member of the Association may attend meetings of the Board, except as provided in the Section herein below entitled "*Executive Sessions.*"

**8.12. EXECUTIVE SESSIONS**

(a) The Board may, upon the vote of a majority of its members present at a meeting in which a quorum for the transaction of business has been established, adjourn a meeting and reconvene in "executive session" to discuss and vote upon personnel matters, litigation in which the Association is or may become involved and orders of business of a similar nature. The nature of any and all business to be considered in executive session shall first be announced in open session. Any matter discussed in executive session shall be generally noted in the minutes of the Board.

(b) Members of the Association may attend executive sessions of the Board, except when the Board adjourns to consider litigation, matters relating to the formation of contracts with third parties, Member discipline or personnel matters. The Board shall permit any Member to speak at any meeting, except for meetings of the Board held in executive session. A reasonable time limit for all Members of the Association to speak to the Board or before a meeting of the Association (i.e. to speak openly during a meeting of the Board other than at an executive session of the Board) shall be established by the Board. A Member of the Association who may be subject to a fine, penalty or other form of discipline, may request that the Board consider such Member's fine, penalty or other form of discipline in executive session, which meeting such requesting Member shall be entitled to attend.

**8.13. ACTION WITHOUT MEETING**

Any action required or permitted to be taken by the Board may be taken without a meeting, if all members of the Board shall individually or collectively consent in writing to such action. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. Such actions by written consent shall have the same force and effect as a unanimous vote of the Board of Directors. An explanation

of the action to be taken or actually taken by the Board shall be given to the members of the Association within three (3) days after all written consents have been obtained. Said explanation shall be given in the same manner as provided for the giving of notice of regular meetings of the Board.
